

Tokyo Disney

Ride Height Chart

Top Tip: Measure your kids barefoot from the top of their head to their sole. And measure them again just before your Disney visit!

Tokyo Disneyland

OVER 81 CM (32 IN)

- The Happy Ride with Baymax.

OVER 90 CM (35 IN)

- Gadget's Go Coaster
- Splash Mountain

OVER 102 CM (40 IN)

- Big Thunder Mountain Railroad
- Star Tours: The Adventures Continue
- Space Mountain

NOTE: Data correct as of December 2025. Height requirements and ride operation may change. Check the Tokyo Disney Resort app and ride signage on the day.

Tokyo Disney

Ride Height Chart

Top Tip: Parents want to ride something your kid isn't tall enough to ride? Ask the Cast Member at the ride entrance if you can use the Rider Switch service.

Tokyo Disney Sea

OVER 90 CM (35 IN)

- Flounder's Flying Fish Coaster
- Nemo & Friends SeaRider

OVER 102 CM (40 IN)

- Soaring: Fantastic Flight
- Peter Pan's Neverland Adventure
- Tower of Terror

OVER 117 CM (46 IN)

- Indiana Jones Adventure: Temple of the Crystal Skull
- Journey to the Centre of the Earth
- Raging Spirits

NOTE: Cast Members will measure your child at the entrance of every ride that has a height restriction. Knowing their height before you travel is the best way to avoid disappointment.
